

CERTIFICATE OF APPRECIATION
Presented to

Black Diamond Kuwait

For maintenance of Oil Facilities, Wells & Refineries Co. W.L.L

In appreciation for

Their sincere efforts and valuable contribution to carry out well intervention job (Retrieval/Set TWCV & BPV) to control the well in Burgan Oilfield KOC. This job was performed on Rig SP-982 Well No. BG-1120, the well was flowing under very high pressure and with the limitations of available equipment Black Diamond work closely with KOC Development Drilling & Workover Team VII to bring out some innovative solutions to retrieve the Two Way Check Valve (TWCV) and set the Back Pressure Valve (BPV) to perform well killing operation.

We hope this Acknowledgement will encourage them to carry out their duties more efficiently and make further contributions in future.
